

TURN GREEN
without it costing the earth.

Green Loan

Effective April 2021

Green Loan

An Australian Military Bank Green Loan is a type of unsecured loan that can be used to fund the purchase and installation of approved clean energy products, helping you lower your power bills while supporting the health of the planet. Our Green Loan provides a low interest rate, terms of up to 7 years and offers affordable repayments to help more homeowners access the benefits of clean energy technology.
