

Introducing Australian Military Bank

Introduction

We're dedicated to helping the men and women who protect and serve our community. That's why we focus on providing our members with better quality services, lower fees and competitive interest rates.

The Australian Military Bank Difference

We've been helping Australian Defence personnel and their families make the most of their money since 1959. As Australia's longest serving Defence financial institution, we know a thing or two about the unique aspects of life in the armed services.

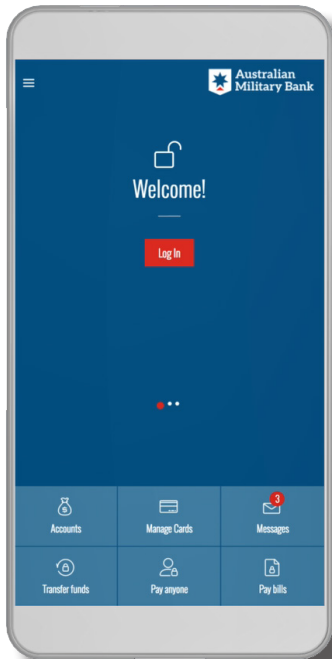

As a mutual bank, we reinvest our profits into the business with the aim of providing members with competitive and award-winning products and services.

- Australian Military Bank is a secure financial institution with assets under management exceeding \$1 billion
- We have over 50,000 members across Australia
- We have branches on most major Defence bases in Australia
- You'll have access to a fleet of fee-free on base ATMs
