Terms of the Low Rate Visa Credit Card Contract

1. DEFINITIONS AND INTERPRETATION

In your loan contract:

- 1.1 a reference to 'we', 'us' or 'our' means the Bank;
- 1.2 a reference to 'you' means each Borrower;
- 1.3 "Cash Advance" means any transaction treated by us as a Cash Advance, including transactions where you:
 - (a) draw cash from the account using an automatic teller machine or at a financial institution
 - (b) receive from a Merchant a cash substitute (including, but not limited to, using the account to purchase gambling chips or tokens, traveller's cheques or money orders, or to load value to a stored value card or facility)
 - (c) use the account to pay bills through a third party where the Merchant does not accept Credit Card payments
 - (d) use the account to pay bills over the counter at a financial institution
 - (e) transfer, or arrange for the transfer of, funds from the account to another account.

We, as the issuer of your Card, are only able to determine whether to treat a transaction you make with a Merchant on your account as a purchase or a Cash Advance, based on information (including the type of business conducted by the Merchant) provided by that financial institution in the course of processing the transaction. Accordingly, Credit Card transactions made with certain Merchants may be treated as Cash Advances, even though such transactions do not fall within any of the above transaction categories.

The most common types of Merchant outlet where this may occur are newsagencies and Merchants that sell lottery tickets or other gambling/gaming products.

- 1.4 words and phrases have the same meaning as in the Schedule;
- 1.5 words and phrases have the same meaning as in the National Credit Code;
- 1.6 headings are for convenience only and do not affect the interpretation of this agreement;

- 1.7 words importing the singular include the plural and vice versa;
- 1.8 words importing a gender include any gender;
- 1.9 other parts of speech and grammatical forms of a word or phrase defined in this loan contract have a corresponding meaning;
- 1.10 a reference to a Clause or Schedule is a reference to a clause or schedule of this loan contract;
- 1.11 a reference to this loan contract includes any Schedule; and
- 1.12 a reference to a party to this contract includes that party's successors and permitted assigns.

2. CREDIT LIMIT

- 2.1 We agree to make available to you credit up to the Credit Limit.
- 2.2 You agree not to exceed the Credit Limit.
- 2.3 We may reduce the Credit Limit to the balance of your account at any time. We do not have to notify you beforehand but we must notify you as soon as practicable afterwards.
- 2.4 This loan contract has a minimum Credit Limit of \$2,000.
- 2.5 Subject to clause 2.4, you may reduce the Credit Limit at any time. However, if you reduce the Credit Limit below the current outstanding balance of the account, you will not have any available credit until you pay down the outstanding balance to less than the new Credit Limit.

3. REPAYMENTS AND TERMINATION OF LOAN CONTRACT

- 3.1 You must make repayments as and when specified in the Schedule. However, this is subject to other terms of this loan contract, for example, if we increase the minimum repayment or if you are in default.
- 3.2 You must also pay us immediately the amount required to reduce the balance of the account to the Credit Limit. This occurs if your transactions, interest charges, credit fees and charges or enforcement expenses exceed the Credit Limit but not when you reduce the Credit Limit under clause 2.5.
- 3.3 If we do not receive value for a cheque or direct credit, we may:
 - (a) reverse the credit; and
 - (b) charge you interest or default interest; and
 - (c) exercise any right or remedy under this contract;

as if the repayment had never been made.

- 3.4 If you are liable to us under 2 or more loan contracts and do not tell us to which account we are to credit any repayment, we may credit the repayment to this loan contract or any of the other loan contracts as we choose.
- 3.5 We will apply your payments to the closing balance in the latest statement and to amounts included in that balance that attract a higher annual percentage rate first.
- 3.6 If your payment exceeds the closing balance of the account, we will apply the payment in excess of the closing balance to amounts occurring after the date of the latest statement that attract a higher interest rate first.
- 3.7 You must make all payments due under this loan contract, without any deduction, set-off, counterclaim or condition.
- 3.8 For the purpose of this clause, a reversal or refund of charges to the account is not a payment to the account.
- 3.9 You have the right under the National Credit Code to pay the outstanding balance of this loan contract at any time, which only restores the available credit up to your Credit Limit. If you want to terminate this loan contract, and any credit card used in connection with this loan contract, you may do so by telling us when paying the outstanding balance of the loan account. You will also need to return the credit card to us or destroy it at our direction.

4. CALCULATING INTEREST CHARGES

- 4.1 We will calculate interest daily by:
 - (a) first subtracting any interest free purchases or fees from the unpaid daily balance of the account at the end of the day
 - (b) then multiplying the remaining amount by the Annual Percentage Rate as noted in the Schedule.

Interest Free Period for Purchases and Fees

- 4.2 We will not charge you interest on purchases in these circumstances:
 - (a) from the start of your continuing credit contract until the due date for the first statement cycle;
 - (b) from the due date of a statement cycle to the due date

of the next statement cycle, providing the closing balance of the first-mentioned statement cycle is paid in full by the first-mentioned due date; or

- (c) from the date you pay the outstanding balance (including any balance transfers) of the continuing credit contract to the due date of the next statement.

However, we will charge you interest on unpaid purchases from the day after a due date where you have not paid the closing balance in full.

By way of explanation, the closing balance of a statement cycle is the outstanding balance of the continuing credit contract as at the closing date of a statement cycle.

Debiting Interest

- 4.3 We will debit interest on the closing balance of each statement period. We will also debit interest on the day we close your credit account.

No Interest Free Period for Cash Advances

5. CALCULATING DEFAULT INTEREST CHARGES

- 5.1 This Clause only applies if a Default Rate of Interest is specified in the Schedule.
- 5.2 If you do not make a repayment when due, you must pay us default interest as well as interest.
- 5.3 We will calculate default interest daily by multiplying the overdue amount by the daily default percentage rate. The daily default percentage rate is the Default Rate of Interest divided by 365.
- 5.4 We will debit default interest on the last day of each statement period and we may debit default interest on the day you pay the balance of the loan.
