IMPORTANT INFORMATION

Your contract

Your Policy is a contract between You and Us and is made up of:

- Your Certificate of Insurance;
- this Product Disclosure Statement and Policy Booklet (PDS); and
- any applicable supplementary PDS.

More than one insured

If there is more than one insured, anything that any insured says, does or omits applies to all of the insureds. Each insured can act on behalf of all the insureds as their agent.

Certificate of Insurance

Your Certificate of Insurance shows the cover of Your insurance and any optional benefits You have added under Your Policy. It also shows the Period of Insurance Your Policy covers – We only cover You for incidents that happen during this time.

Receiving Your Policy documents

You may choose to receive Your Policy documents:

- electronically – that is, by email; or
- by post.

If We send Your Policy documents to You by email, We will send them to the person and email address You have nominated for receiving Policy documents. Any Policy documents We send to this email address will be considered to have been received by You 24 hours from when We send them.

If We send Your Policy documents to You by post, We will send them to the person and mailing address You have nominated for receiving Policy documents.

You are responsible for making sure the person and email or mailing address We have for Your Policy documents is up to date. So, You need to tell Us if this email or mailing address changes – see 'Changes to Your Policy' in this section.

Limits, exclusions and conditions

Limits, exclusions and conditions apply to the cover You have chosen:

- throughout this PDS, We set out any specific limits, exclusions and conditions with the cover they apply to;
- We set out the general exclusions that apply to all covers and benefits under Your Policy in the 'General exclusions' section; and
- We set out Your responsibilities when You are insured with Us in the 'Your responsibilities' section.

Exclusion periods, special conditions and embargoes

We do not cover You for loss or damage to Your Caravan that occurs within:

- 3 days (72 hours) of the commencement time of the Policy caused by bushfire, grassfire, storm (including cyclone), rainwater run-off or storm surge; or
- 14 days (336 hours) of the commencement time of the Policy caused by Flood,

unless:

- You took out this Policy immediately after another insurance policy covering the same Caravan ended without a break in cover; or
- You had entered into a contract of sale to purchase (or contract to lease) Your Caravan and took out this Policy for Your Caravan prior to taking possession of Your Caravan.

We may also apply special conditions to Your Policy that may exclude, restrict or extend cover for a person or a particular matter at the time You purchase the Policy. For example, We may not cover You for some incidents like a bushfire, storm or Flood if they cause loss or damage during a specific period which is also known as an embargo period. These special conditions may change the above conditions. In addition, We may apply special conditions during Your Policy that limit Your ability to make changes to coverage, Sums Insured and Your Policy terms.

Your Certificate of Insurance shows any special conditions including any embargo periods that apply to Your Policy.

Your Premium

In return for paying Your Premium, We provide the cover You have chosen. You may also be eligible for certain discounts.

For information about how We work out Your Premium or discounts You may be entitled to, see Our Caravan Insurance Premium, Excess & Discounts Guide. To get a free copy of Our Caravan Insurance Premium, Excess & Discounts Guide refer to Page 1 'Contact details'.

Paying Your Premium

You must pay Your Premium on time. You can pay Your Premium:

- annually in one lump sum; or
- in instalments by direct debit from an account or credit card You nominate (if We offer this option to You).

Your Certificate of Insurance shows the amount You need to pay and the due date for Your annual Premium or each instalment.

What happens if You don't pay on time

When You take out insurance, You need to pay Your annual Premium or any instalments by the due date specified on Your Certificate of Insurance.

An instalment is unpaid if it cannot be deducted from Your nominated account or credit card.

If Your Premium is overdue We will send You a notice outlining the overdue amount and when it needs to be paid.

If Your Premium remains unpaid after the time period specified in the notice We send, We will:

- cancel Your Policy for non-payment; and
- refuse to pay any claim for an incident occurring after the cancellation date.

If You pay by instalments, We will send You a second notice either before cancellation informing You of the effective date of cancellation, or within 14 days after cancellation confirming the effective date of cancellation.

If You need to make a claim when Your Policy is overdue, and before Your Policy has been cancelled for non-payment, We will require You to pay the overdue amount as part of the claim settlement process.

Excess(es)

An Excess is Your contribution towards the cost of a claim. The amount and types of Excess that applies to Your Policy will be shown on the Certificate of Insurance. Please see 'Excess' in the 'Claims' section for information on the type of Excess that may apply to Your claim and when You may not be required to pay an Excess.

For more information about the Excesses that may apply to Your Policy, see Our Caravan Insurance Premium, Excess & Discounts Guide. To get a free copy of Our Caravan Insurance Premium, Excess & Discounts Guide refer to Page 1 'Contact details'.

Cooling-off rights

You can tell Us to cancel Your Policy within 21 days from:

- the date We issue Your Policy – for example, if You call Us on 3 May to set up a new Policy from 10 May, then Your 21 day cooling-off period starts from 3 May as that's when We issued Your Policy; and
- the start date of the Period of Insurance that applies when You renew Your Policy.

If You tell Us to cancel Your Policy within those times, We'll refund the Premium You paid Us in full. However, We will only do that if You haven't made a claim on Your Policy. You can also cancel Your Policy as set out in 'Cancellation' in this section.

Changes to Your Policy

You may want to make a change to Your Policy (for example, adding optional benefits to increase Your cover). To make a change to Your Policy please contact Us.

If We agree to make the change, We will:

- tell You if any additional Premium applies to the change and require You to pay this amount in order to make the change under Your Policy; or
- refund any amount We owe You due to the change; and
- issue You with a Certificate of Insurance.

If You change Your contact details (for example, the mailing or email address You have nominated to receive Policy documents) You must tell Us as soon as reasonably possible. If You don't, We will consider that You received Your Policy documents (that We sent to Your old address) even though You didn't. We will continue to send Your Policy documents to the mailing or email address You have nominated until You tell Us to update Your contact details.

Cancellation

In addition to Your 'Cooling-off rights', You may cancel Your Policy at any time (for example, if You no longer want Your Policy).

There may be circumstances where We need to cancel Your Policy. We will only do this if the law allows it.

If Your Policy is cancelled:

- We will refund a portion of Your Premium after We deduct an amount that covers the period that You have been insured for; or
- and You pay Your Premium by instalments, We will deduct any unpaid instalments that are due. You authorise Us to deduct any unpaid instalments by direct debit from the account or credit card You previously nominated for instalment deductions. As We are only allowed to deduct the agreed amount You previously authorised, We may need to collect the total amount You owe Us over a few instalments.

Renewal

At least 14 days prior to expiry of Your Policy We will give You notice in writing of the date and time of expiry and advise You if We are prepared to renew Your Policy. If We offer to renew Your Policy We will send You an updated Certificate of Insurance and quote a premium based on the information in Your current Policy. You should review any offer of renewal to ensure the insurance cover is still appropriate for You.

If You paid Your last Premium:

- as an annual Premium by direct debit, We will deduct the renewal Premium from the account or credit card You previously nominated; or
- by instalments, We will continue to deduct payments from the account or credit card You previously nominated for instalment deductions,

and Your Policy will automatically renew if We offer You a renewal. If You do not want Us to continue to deduct these payments and automatically renew Your Policy, please contact Us prior to expiry of Your Policy.

If You paid Your last Premium as an annual Premium without a direct debit arrangement, We must receive Your payment of the renewal Premium by the due date otherwise Your Policy will not renew.

Assigning rights and appointing a representative

Assigning Your rights

You must not assign any benefits, rights or obligations under Your Policy unless You get Our written consent first.

Appointing someone to represent You

If You want to appoint someone to represent You, then You need to tell Us and We need to agree that We will deal with them on Your behalf. We will not unreasonably withhold Our consent. For example, You may ask someone to manage Your Policy or a claim. We may have a concern with a party that You may want to appoint if they present a conflict of interest, for example, someone who supplies goods or services for Your claim. We will not pay any costs charged by anyone You appoint to represent You.

References to legislation

If We refer to any legislation, Act or regulation in this Policy, this includes any amendment, replacement, re-enactment, successor, equivalent or similar legislation, Act or regulation.

Your responsibilities

When You take out a Policy with Us or make a claim, You have certain responsibilities that are set out in this section. These responsibilities also apply to any person that is covered by Your Policy. If You don't meet Your responsibilities, We may refuse to pay Your claim or reduce what We pay for Your claim. We may also decide to cancel Your Policy. The course of action We take when You fail to meet Your responsibilities will be considered in each circumstance based on what impact or effect Your failure caused or contributed to the claim or Our decision to issue Your Policy.

We understand that in some circumstances You may not be able to meet Your responsibilities for reasons that are beyond Your control. For example, if You are seriously injured and You cannot provide Us with information to help Us process Your claim. You may also experience personal circumstances which could impact a claim under this Policy. For example, mental health conditions, or the conduct of others such as acts of violence or intimidation. If this happens, You or any other insured should speak to Us about Your situation so We can consider how best We can help.

You must tell Us if:

- there is any change to where Your Caravan is usually kept;
- there is any change to the way Your Caravan is used including but not limited to if You use Your Caravan for business, rideshare, take away food delivery, courier or other deliveries, driving instruction, farming activities, hire or rent, professional motor sports, taxi or people transportation or trade;
- there is any change to the people that regularly tow Your Caravan;
- You have fitted any Modifications to Your Caravan that We asked You about when You first applied for Your Policy;
- anyone who tows Your Caravan has been convicted of fraud; or
- anyone who tows Your Caravan has had their licence disqualified, suspended or cancelled.

If You tell Us about any of these things, We may charge an additional Premium, change the cover of Your Policy, impose special conditions or cancel Your Policy to reflect the change in risk and terms upon which We have issued Your Policy. If You do not wish to accept Our terms, You can cancel Your Policy.

You must also:

- be truthful and frank in any statement You make in connection with Your Policy;
- not behave in a way that is improper, hostile, threatening, abusive or dangerous;
- pay Your Premium, including paying instalments, by the due date;
- ensure that the Agreed Value of Your Caravan includes any Modifications, options, Accessories, Annexe and Fixtures and Fittings;
- take reasonable precautions to avoid a claim being made;
- do everything reasonable to prevent further loss or damage to any property if an incident happens;
- take reasonable steps to ensure You or anyone acting on Your behalf obeys all relevant laws;
- not make a fraudulent claim under this Policy or any other insurance policy; and
- follow the conditions of this Policy.

There are also things You must and must not do if You make a claim under this Policy. These are set out in the 'Claims' section. If You breach any of the terms of this Policy We may refuse or reduce a claim, cancel Your Policy or do both.

The course of action We take when You breach any of the terms will be considered in each circumstance based on what impact or effect Your breach caused or contributed to the claim or Our decision to issue Your Policy.

 - faulty design;
 - faulty workmanship by You or someone else We did not authorise; or
 - repairs by You or someone else We did not authorise, except as specifically covered under the 'Lifetime repair guarantee' additional benefit.
- for loss or damage to tyres caused by road cuts, punctures, bursting or braking (except if there is loss or damage to other parts of Your Caravan).

This section provides information about Our claims process and what We pay when You make a claim. It also includes some examples of how We pay claims including liability claims.

What You must do

When You make a claim, or if something happens that may result in You making a claim, You must:

- stop if anyone is injured or any other caravan or property is damaged;
- take safe and reasonable steps to prevent any further loss, damage or liability;
- inform the police as soon as possible if anyone is injured or if Your Caravan is lost, stolen, vandalised or maliciously damaged and provide Us with the incident number and details of when and where the report was made;
- obtain:
 - the full name, residential address and contact telephone number of all drivers involved in an incident; and
 - the make, model, registration number and insurance details for all vehicles involved in an incident;
- be truthful and frank in any statement You make in connection with a claim;
- keep all damaged property so We can inspect it within a reasonable period of time, if required;
- cooperate fully with Us, even if We have already paid Your claim, which includes:
 - providing Us with all the information, documents and help We need to deal with Your claim;
 - as soon as reasonably possible, sending Us any communications that You receive about any incident (for example, emails, letters, notices or court documents);
 - being interviewed by Us or Our representatives and providing statements;
 - attending court to give evidence; and
 - providing all reasonable assistance in obtaining all Authorised Drivers and passengers in the vehicle towing Your Caravan to provide Us with all information, documents and help We reasonably require to deal with a claim. If there is a failure to provide the information, documents or help requested and they are material to Our assessment, this may cause a delay in the assessment or payment of Your claim until the information, documents or help is provided;
- not pay, promise to pay or admit responsibility for a claim or an incident;
- not repair or replace any damaged property without Our consent. You should seek Our agreement before incurring any out-of-pocket expenses to ensure You will be able to claim those costs back on Your Policy. If You do not obtain Our agreement first, We will only pay the reasonable costs. Refer to the 'How We settle Your claim' section of this document for information in relation to what are reasonable costs; and

- give Us Your rights to claim from anyone else. If You have a right to claim from anyone else for an incident covered by Us, You give Us Your rights to make that claim, to conduct, defend or settle any legal action and to act in Your name and You must give Us all information and cooperation that We reasonably require in connection with the conduct of proceedings. You must not do anything unreasonable that prevents Us from doing this. We will act reasonably in exercising Our discretion in the conduct of any legal proceedings and in the settlement of any claim while We conduct any recovery action. We will keep You reasonably informed and updated with the progress of proceedings.

When We make a request for information, documentation, cooperation or assistance from You, any Authorised Drivers or passengers, We will only make a request that is relevant to Our assessment and conduct of Your claim and provide an explanation as to why it is needed. For example, a copy of Your Caravan registration certificate as proof of ownership.

If You do not meet Your responsibilities, We may refuse or reduce a claim, cancel Your Policy, or do both. The course of action We take when You fail to meet Your responsibilities will be considered in each circumstance based on the impact or effect Your failure to meet Your responsibilities caused or contributed to the claim and Our decision to maintain Your Policy.

You should contact Us to lodge a claim as soon as possible. We can give You immediate assistance with Your claim 24 hours a day, 7 days a week. We:

- can arrange towing for Your Caravan after an incident;
- may need to inspect Your Caravan and arrange quotations from any repairer or supplier; and
- may ask You to substantiate Your claim by providing Us with proof of ownership of Your Caravan and any other items You claim for under this Policy. For example, We may request a copy of Your Caravan registration documents as proof of ownership.

How We settle Your claim

If a person We cover makes a claim under 'Cover for liability' and We accept that claim, We will:

- act for them or arrange for a lawyer to represent them;
- attempt to resolve the claim; and
- defend the claim in a court or tribunal.

We will decide whether to defend or resolve a claim and how much to pay to resolve a claim. We will act reasonably in exercising Our discretion and We will keep You reasonably informed and updated with the progress of the claim.

If We accept Your claim under 'Cover for loss or damage to Your Caravan', We will :

- decide whether to repair Your Caravan, pay You the reasonable cost of repairs or pay You the Agreed Value that applies to Your Caravan;
- pay for any additional benefits that You are entitled to;
- pay for any optional benefits that You are entitled to; and
- deduct any amounts that apply to Your Policy and claim (for example, Excess, unpaid Premium and unused registration).

We can choose to settle Your claim through any of the following ways:

- We can choose to repair Your Caravan. See 'Repairing Your Caravan' for what happens when We decide to repair Your Caravan.

- We can choose to pay You the reasonable cost to repair Your Caravan. A number of factors will be relevant in working out what is the 'reasonable cost' of a repair, including the repair being consistent with the incident description, the pricing and nature of repair parts, and services provided being consistent with industry standards. The types of evidence that may support costs being reasonable include things like quotes from Our repairer or another repairer, Our nominated repair methods for the type of damage to Your Caravan provided they are reasonable and in line with industry standard and reports from Our qualified assessors. See 'Repairing Your Caravan' for what happens when We decide to pay You the cost to repair Your Caravan.
- We can choose to pay Your claim as a Total Loss. We will do this when We determine Your Caravan is a Total Loss or when We decide to. If We do this then Your Policy ends and You will not get a refund of Your Premium. See 'Total Loss of Your Caravan' for what happens if We decide to pay Your claim as a Total Loss.
- We can choose to pay for additional and/or optional benefits. If We agree to pay You any additional benefits or optional benefits, We will choose the method of settlement and repairer or supplier. If We settle a claim for damaged property by replacing it or paying You the cost of replacing it, the damaged property becomes Ours unless We let You keep it.

Our choice will have regard to the circumstances of Your claim and consider any preference You may have.

The maximum amount We will pay for a claim under 'Cover for loss or damage to Your Caravan' is the Agreed Value of Your Caravan and any benefits You are entitled to.

Repairing Your Caravan

If We choose to settle Your claim by repairing Your Caravan:

- We decide the best way to repair the damage; and
- We will arrange for a repairer to fix Your Caravan.

Choosing a repairer

If We arrange for a repairer to fix Your Caravan, We will:

- help find a repairer most convenient to You;
- choose the most suitable repair method for the type of damage to Your Caravan;
- manage the whole repair process on Your behalf;
- arrange for part of the repair to be carried out by a specialist service provider if required; and
- seek Your agreement to any repairs if the repairs to Your Caravan leave it in a better condition than before the incident and We need to seek a contribution from You for the additional amount which represents the betterment.

If We decide to authorise and pay for the reasonable cost to repair Your Caravan, We will tell You if You need to pay the Excess to Us, the repairer or another supplier.

We are not responsible for making sure the repairer can complete the repairs when it suits You and We will not cover:

- any additional costs that may result if the repairer appointed or engaged by You is delayed or has problems getting parts; or
- any repairs not authorised by Us.

If We authorise and pay for a repairer to fix Your Caravan, then We will provide a lifetime guarantee for the workmanship of those repairs as long as You are the owner of Your Caravan. See the 'Lifetime repair guarantee' additional benefit.

Inspections

If We ask, You must allow Us to inspect Your Caravan at a reasonable time and place and We will:

- tell You where You need to take Your Caravan; or
- arrange for Your Caravan to be towed to a repairer or other place We choose.

Paying the reasonable cost to repair Your Caravan

If We decide to pay You the reasonable cost to repair Your Caravan (refer to the 'How We settle Your claim' section of this document for information in relation to what are reasonable costs), We will deduct the following from the amount We pay You:

- the Excess; and
- any input tax credit You are entitled to under *A New Tax System (Goods and Services Tax) Act 1999 (Cth)*.

Parts used to repair Your Caravan

Generally We use the following parts to repair Your Caravan. If Your Caravan is:

- less than 3 years from the date it was first registered, or if it is unregistered, from the date of manufacture, We use Genuine Parts when reasonably available; and
- 3 years from the date it was first registered or older, We use:
 - Genuine Parts when reasonably available;
 - quality reusable parts; or
 - parts that are not manufactured by a supplier of Your Caravan's original manufacturer.

Regardless of the age of Your Caravan, We may use parts that are not Genuine Parts to replace Your windscreen, window glass, sun roof, moonroof, radiator or air-conditioning components.

We will only use quality reusable parts or parts that are not manufactured by a supplier of Your Caravan's original manufacturer when it:

- is consistent with the age and condition of Your Caravan;
- does not affect the safety or the structural integrity of Your Caravan;
- complies with Your Caravan manufacturer's specifications and applicable Australia Design Rules;
- does not adversely affect the way Your Caravan looks after it has been repaired; and
- does not void or affect the warranty provided by the manufacturer of Your Caravan.

Unrepaired damage

If Your Caravan had any unrepaired damage before an incident for which We agree to provide cover, You must contribute to the repair costs if the unrepaired damage results in Us having to repair more areas of Your Caravan than were affected by the incident or We needed to replace. For example, a panel of Your Caravan was only partly damaged in an incident We have agreed to cover and can be repaired. The repairer notices that the panel has unrepaired hail damage. If there wasn't any hail damage We would only need to repair the damaged area of the panel. However, because of the unrepaired hail damage to the panel We must replace the whole panel. In this case We would seek Your agreement to any repairs and ask You to contribute to the costs of the repairs.

Undamaged areas

We don't repair undamaged areas of Your Caravan to create a uniform appearance. If You wish to have additional repairs completed to undamaged areas – for example to ensure a uniform appearance, You may pay to do so or We will consider within the context of how best to settle Your claim – for example deducting costs or making an allowance for betterment.

Total Loss of Your Caravan

If We accept Your claim and determine Your Caravan is a Total Loss, We will:

- pay Your claim; or
- replace Your Caravan.

If Your Caravan is a Total Loss and We decide to pay Your claim, We will pay You the Agreed Value (as shown on Your Certificate of Insurance) after deducting:

- the Excess;
- any unpaid Premium;
- any input tax credit You are entitled to under A New Tax System (Goods and Services Tax) Act 1999 (Cth); and
- the unused portions of registration (if applicable).

If Your Caravan is a Total Loss and We agree to replace Your Caravan, We will settle Your claim as set out in the 'New caravan replacement' additional benefit. You will need to pay:

- the Excess;
- any unpaid Premium; and
- the unused portions of registration (if applicable).

We will tell You who to pay these amounts to.

After We settle Your claim for a Total Loss Your Policy comes to an end and no refund of Your Premium is due. Any salvage of Your Caravan will become Our property.

Excess

As part of the finalisation of Your claim, You must pay the Excess that applies. An Excess is an amount You contribute towards the cost of a claim. Your Certificate of Insurance shows the amount and types of Excess that apply to Your Policy. You may need to pay more than one Excess.

The type of Excess You need to pay depends on what Your claim relates to and who was towing Your Caravan.

The following Excesses may apply to Your Policy:

Caravan	applies to most claims under the Policy;
Imposed	applies in addition to the Caravan Excess if it is shown and as set out in the Certificate of Insurance.
Driver	applies in addition to the Caravan Excess when a person specified with a Driver Excess on the Certificate of Insurance is towing Your Caravan;
Undisclosed Driver	applies in addition to the Caravan Excess when a person 25 years of age or older who is not listed as a driver on the Certificate of Insurance is towing Your Caravan; and
Undisclosed Driver Age	applies in addition to the Caravan Excess when a person less than 25 years of age who is not listed as a driver on the Certificate of Insurance is towing Your Caravan.

We only accept a claim if the total amount You are claiming is more than any Excesses that apply to Your claim.

You must pay any Excess that applies to Us or a repairer or supplier. We may deduct it from what We pay You or We will tell You who to pay the Excess to. If We request You pay the Excess, We will tell You who to pay and may require payment as part of finalising Your claim.

There are circumstances when You do not need to pay one or more Excesses.

For more information about the Excesses that may apply to Your Policy and when these will not apply, see Our Caravan Insurance Premium, Excess & Discounts Guide. To get a free copy of Our Caravan Insurance Premium, Excess & Discounts Guide refer to Page 1 'Contact details'.

Other deductions

If We pay Your claim as a Total Loss, We will deduct other amounts to settle Your claim.

Unpaid Premium

Before We pay Your claim We will deduct:

- any Premium amount for the Policy that is due but has not been paid; and
- if You pay Your Premium by instalments, the instalments that cover the rest of Your Period of Insurance.

Unused registration

The amount You pay to register Your Caravan forms part of Your Caravan value. If We pay Your claim We will deduct any unused registration costs.

To get a refund for this amount You will need to contact Your relevant motor registration authority.

Salvage value

We will normally keep Your Caravan if We pay Your claim. However, if We let You keep Your damaged Caravan, We will deduct its estimated salvage value before We pay Your claim.

Credit provider's rights

You must tell Us if You have used all or part of Your Caravan as security for a loan with a credit provider. Your credit provider may be a bank, credit union or other type of lender. This may also apply if You lease or have a hire purchase agreement on Your Caravan.

We list Your credit provider as an interested party on Your Certificate of Insurance.

When You have a credit provider noted on Your Certificate of Insurance We:

- treat Your Caravan as being under a finance arrangement;
- treat any statement, act, omission or claim by You as a statement, act, omission or claim by the credit provider; and
- may recover any payment either in Your name or the credit provider's name.

Payments to the credit provider

If We decide to pay You for a claim on Your Caravan that is under a finance arrangement, We will first pay the credit provider the lower of these amounts after deducting any Excess and other deductions that apply:

- the Agreed Value as shown on Your Certificate of Insurance;
- the cost of repairing Your Caravan; or
- the balance owing to the credit provider under the finance arrangement.

However, We will only pay the credit provider if they:

- are listed on Your Certificate of Insurance; and
- give Us any help We ask for.

If We make a payment to a credit provider, then that payment discharges Our obligation to You under Your Policy for the amount paid.

If We decide to settle Your claim as a Total Loss, then before We settle Your claim:

- We will check the Personal Property Securities Register to confirm whether any money is owing on Your Caravan; and
- If there is any outstanding amount owing under any finance arrangement, You will be required to provide reasonable assistance to enable Us to resolve those financial arrangements and settle Your claim.

GST

If We pay Your claim, We will deduct an amount equal to Your input tax credit entitlement. This applies to any amount We pay, including where We state that an amount will include GST. Any payment We make to settle Your claim will be considered to be made in full even if We have reduced the amount We pay as set out in this section.

Recovery actions

You agree that the following provisions under 'Recovery action by Us' and 'Recovery action by You' apply where We cover You under this Policy for some or all of the loss or damage You suffer in connection with an incident.

Recovery action by Us

You agree We may take steps to recover from someone else We consider responsible for the incident:

- some or all of the loss or damage We cover; and/or
- some or all of the loss or damage We do not cover, whether or not it is covered by another insurer or You do not have cover for it.

You agree that We may take such recovery action:

- without Your specific consent;
- using Your name; and
- whether or not You have been, or have a right to be, fully compensated for all of Your loss or damage by Us or anyone else.

You also agree that:

- We have the right to decide upon the conduct and any settlement of any recovery action We take. We will act reasonably in exercising Our discretion in the conduct of any legal proceedings and in the settlement of any claim while We conduct any recovery action. We will keep You reasonably informed and updated with the progress of proceedings;
- We may exercise all the rights You have in connection with the loss or damage You have suffered in connection with the incident;
- of any amount recovered in a recovery action We take:
 - We keep the amount We have paid You, or must pay You, under the Policy plus any interest recovered on that amount and any administrative, recovery agent, funding and legal costs We have incurred in taking the recovery action; and
 - We will then pay You the amount of loss or damage You have suffered in connection with the incident for which You do not have any cover with Us plus any interest recovered on that amount and costs You may have been required by Us to contribute; and
 - We will keep any remaining balance;

- You must give Us all the information and cooperate that We reasonably require to take the recovery action. When We make a request for information or cooperation from You, We will only make a request that is relevant to Our recovery action and provide an explanation as to why it is needed; and
- You must not do anything unreasonable which prejudices Us in taking any recovery action including that You must not:
 - assign Your rights to anyone else without Our consent; or
 - opt-out of any representative or group proceedings taken by Us.

Recovery action by You

You agree that You may only take recovery action if Your claim has been denied or with Our prior written consent and on conditions which We in Our discretion impose, acting reasonably. We will not unreasonably withhold Our consent.

You also agree:

- You must have proper regard for Our interests in respect of loss or damage that We cover;
- You must seek to recover the loss or damage We cover in addition to any other loss or damage You have suffered in connection with the incident;
- of any amount recovered in a recovery action You take:
 - You keep the amount of loss or damage You have suffered in connection with the incident for which You do not have any cover with Us plus any interest recovered on that amount and any administrative and legal costs You have incurred in taking the recovery action; and
 - You will then pay Us the amount We have paid You, or must pay You, under the Policy plus any interest recovered on that amount; and
 - You will keep or pay any remaining balance in accordance with any other obligations You have;
- We may take over the conduct of any legal proceedings started by You or on Your behalf, including where You are an applicant or plaintiff, or a group member, in representative or group proceedings; and
- We may require You to cease recovery action that You have commenced.

We will act reasonably in exercising Our discretion when taking over conduct of legal proceedings, requiring the cessation of proceedings, in the conduct of any legal proceedings and/or in the settlement of any claim. We will keep You reasonably informed and updated with the progress of proceedings.

How We pay claims – some examples

The following examples are designed to show how a claim payment might be calculated and what amount You may be required to pay. These are examples only, do not cover all scenarios or benefits and do not form part of the Policy terms and conditions.

Please refer to your Certificate of Insurance for the amount and types of Excess (es) that apply to your Policy.

Claim example 1 – Repairing Your Caravan

- Your Caravan is insured with an Agreed Value of \$25,000;
- You have not chosen any optional benefits under Your Policy; and
- You have a Caravan Excess of \$500.

You are a 35 year old driver, who is listed on the Policy and while towing Your Caravan You have a crash with a vehicle where You are at-fault.

Your Caravan is damaged and unable to be towed by Your Vehicle and You contact Us and We arrange for Your Caravan to be towed from the location of the Accident to a repairer. The towing cost is \$350.

We assess the cost to repair Your Caravan to be \$2,250.

We accept Your claim under the Policy and decide to repair Your Caravan.

- You pay the \$500 Caravan Excess to the repairer
- We pay the repairer \$1,750 (being the cost of repairs of \$2,250 less the \$500 Caravan Excess)
- We pay \$350 to the towing company.

Claim example 2 – Total Loss

- Your Caravan is insured with an Agreed Value of \$14,700;
- You have not chosen any optional benefits under Your Policy; and
- You have a Caravan Excess of \$500 and a Driver Excess of \$500 which applies to Your 22 year old son, who is listed as a specified driver on Your Policy.

You pay Your Premium by monthly instalments of \$55 per month.

Your 22 year old son is towing Your Caravan and has a crash with a vehicle where he is at-fault.

Your Caravan is unusable and You contact Us and We arrange for Your Caravan to be towed from the location of the Accident to a repairer. The towing cost is \$300.

We assess Your Caravan to be a Total Loss.

Your Policy has 4 months unpaid Premium instalments before the end of the Period of Insurance and Your Caravan has \$150 of unused registration.

We accept Your claim under the Policy and We pay the towing company \$300.

We pay You \$13,330 calculated as follows:

Agreed value of	\$14,700
less Caravan Excess of	-\$ 500
less Driver Excess of	-\$ 500
less unused registration of	-\$ 150
less remaining unpaid monthly instalments of	-\$ 220
TOTAL	\$13,330

You arrange a refund of Your unused registration of \$150.

Your Policy ends and We keep Your Caravan.

Claim example 3 – Caravan stolen with a new replacement caravan

- Your Caravan is insured with an Agreed Value of \$32,000;
- You have not chosen any optional benefits under Your Policy; and
- You have a Caravan Excess of \$500.

You pay Your Premium by monthly instalments of \$55 per month.

Your Caravan is stolen and not recovered when it is only 7 months old. Your Policy has 4 months unpaid Premium instalments before the end of the Period of Insurance and Your Caravan has \$250 of unused registration.

We accept Your claim under the Policy and We determine Your Caravan to be a Total Loss.

As Your Caravan is less than 24 months from when it was first registered, We decide to replace Your Caravan with a new one under the 'New caravan replacement' additional benefit. We order you the new replacement caravan from a caravan dealer with 12 months registration included.

You pay Us or the caravan dealer \$970, being:

- Caravan Excess of \$500
- Outstanding Premium instalments of \$220 (4 x \$55)
- Unused portion of registration from Your Vehicle of \$250.

You arrange Your registration refund of \$250 from Your relevant State Transport Authority.

The Policy for Your Caravan ends and any salvage of Your Caravan (if recovered) will become Our property.

If You want Us to cover Your replacement caravan, You will need to apply for a new policy.

Claim example 4 – Liability claim for damage to someone else's property

- Your Liability Limit is \$20,000,000; and
- You have a Caravan Excess of \$500.

You lose control of Your vehicle while towing Your Caravan and Your Caravan crashes into someone's front fence and garden.

We accept Your claim under the Policy and arrange lawyers to act on Your behalf in relation to the homeowner's claim against You. A court decides You are liable to pay \$8,000 for the claim made against You by the homeowner.

- You need to pay Us the Caravan Excess of \$500
- We pay the homeowner \$8,000
- We also pay Our lawyers \$1,500 being their fees to act on Your behalf in the court proceedings.

Claim example 5 – Crash with at-fault driver

- You have not chosen any optional benefits under Your Policy; and
- You have a Caravan Excess of \$500.

You are towing Your Caravan and a vehicle crashes into Your Caravan. You provide Us with the registration details of the other vehicle and the driver's name and address.

We determine that the driver of the other vehicle is solely at-fault for the crash and agree to accept Your claim under the Policy.

The Agreed Value of Your Caravan is \$8,500.

We assess the cost to repair Your Caravan to be \$4,500.

We pay the repairer \$4,500.

You do not need to pay any Excess.

Claim example 6 – Excess greater than claim amount

- Your Caravan is insured with an Agreed Value of \$32,000;
- You have not chosen any optional benefits under Your Policy; and
- You have a Caravan Excess of \$500.

You Accidentally reverse Your Caravan into a fence at Your home and damage the rear of Your Caravan.

We assess the cost to repair Your Caravan to be \$300.

As Your Caravan Excess is \$500, We stop processing Your claim and do not pay anything under Your Policy as the applicable Excess is more than the repair costs for the damage to Your Caravan.
