Welcome to the July issue of Communiqué

“ In August this year, Australian Military Bank will celebrate our 60th Anniversary. From our very humble beginnings as the Navy (Civil Staff) Co-op Ltd at Garden Island with 160 members to the bank we have grown to today; we are very excited and proud to celebrate this upcoming milestone. ”

At Australian Military Bank we are dedicated in providing a full array of modern products and services and we will continue to establish long term relationships with our members and the broader Defence Community.

At such a time, I would like to thank our members for their business and loyalty, as well as our staff for their dedication over the last 60 years. Without these two common threads it would not have been possible to reach this milestone anniversary.

In this edition of Communiqué, we review all the action from the ADF Aussie Rules (ADFAR) National Carnival and the Men's All Stars event. Australian Military Bank is a proud and longstanding partner of ADFAR; we would like to take the time to acknowledge all those who make these events as successful as they are including the ADF personnel who participate. Special mention to Major General Matthew Hall who this year stepped down as ADFAR President.

Finally, one of the key advantages of the Military Rewards Account is that it gives back to the Defence community and our charity partners. With the Bank matching our members 'cents gifting' program, together we have raised over \$160,000 for our Defence charity partners, Legacy, Mates4Mates, RSL DefenceCare and Soldier On. To coincide with this achievement, in this edition we profile Legacy who share with us the great work they do in supporting the Defence community and encourage you to show your support throughout Legacy Week in September.

On behalf of the board, we would like to thank you for your on-going support throughout this financial year and look forward to continuing to provide you with modern banking products for many more years to come.

ADFAR Australian Defence Force Aussie Rules

Each year the Men's All-Star Team takes part in the annual ANZAC Challenge against the 'Combined National Emergency Services Aces'.

The Men's All-Stars side comprises of standout performers from the National Carnival – which is made up of teams representing Navy, Army and Air-Force personnel.

On April 26th, the Men's All-Stars competed in the ANZAC Challenge at Adelaide Oval. The match was the curtain raiser for the AFL ANZAC Round clash between Port Adelaide and North Melbourne. In what was a competitive affair, the **ADF Aussie Rules** All-Stars went down to the Australian Combined Emergency Services Aces 10.12.72 to 7.3.45.

Australian Military Bank is a proud supporter of the Men's All-Star Team as well as the ADFAR National Carnival; which boasts both male and female participation across Navy, Army and Air-Force personnel.

Military Rewards Charity in Profile: Legacy

Suzi Spedding with her now late husband Mark Spedding

Our charity partner, Legacy, provides services to Australian families suffering after the injury or death of a spouse or parent, during or after their Defence Force service.

Suzi and daughter Madison were supported by Legacy after the sudden passing of husband and father Mark. Mark, a 20-year RAAF veteran, completed his initial training in Adelaide and experienced postings in Wagga, Darwin, Townsville and Tindal. He also completed two deployments in the Middle East.

Suzi and Madison had been immediately contacted by Max from Legacy Northern Territory and were assisted legally, financially and emotionally for what was an extremely difficult period. Through the Legacy network, Suzi has since been connected with other Defence widows through annual Mother's Day and Christmas luncheons.

Suzi and Madison are two of tens of thousands of beneficiaries which are currently cared for by Legacy. The Bank and you, our members, have donated over \$54,000 to Legacy in support of the fantastic work they do in the Defence Community.
